RE: Letter of Interest

Good morning,

Our local area, which is comprised of 14 different towns and RM's, has had a long-standing committee that represents Doctor Recruitment and Retention for our residents in this area.

Most recently with assistance from the Government SIPPA program, our committee in our bi-annual meetings have decided to change our focus to the recruitment and retention of Healthcare Professionals.

During our last meeting, it was suggested that a letter of interest be sent out to gauge interest with our healthcare professionals within our area, or with those possibly wanting to be a first responder in their community and provide them with some potential financial assistance to further their careers.

As this is our initial reach out to our area healthcare professionals, we are looking for written response as to what may be your interest in this assistance program. We would then compile these letters of interest and review them at our next upcoming meeting which will be held in early April.

The letter of interest should include the educational needs you require as well as potential costs affiliated with this continued education, such as tuition or books and the potential timeline as to enrollment in a program and completion date. Please include all information you feel applicable such as the following as well: Are you affiliated with or are you an employee within SHA, be it a hospital, long-term care, care home, primary care or mental health and addiction? Are you a resident of a community that wishes to be a first responder within your community? It should be mentioned that this potential funding does not replace any existing employee incentives that are currently offered by SHA or the Ministry of Health.

It should be noted that as part of our committee's requirement, and should you qualify to be a recipient of funds, that a contract would be created with our committee and yourself which would include a stipulation of a time frame for a return for service attached to this agreement.

If this is something you feel would be of benefit to you, we ask that you please send in your letter of interest ***prior to March 31, 2024.***

Written correspondence can be mailed to The Town of Assiniboia, Box 670, Assiniboia SK, S0H 080. Attn: Sharon Schauenberg / Healthcare Professional Recruitment and Retention Committee. We look forward to hearing form you.

Thank you,

Sharon Schauenberg
Chair, HPRRC

OUR HISTORY
Lakeview Insurance Brokers is a diversified insurance brokerage operation operating in Manitoba since 1983 and Saskatchewan since 2006. Partnering our Manitoba family based operation, with additional family brokerages in Saskatchewan created the opportunity to expand business while maintaining the values we hold.

OUR STORY
In order to protect what is important, we want to understand you and your family. Your requirements may be personal, business, or something completely unique. We strive to build a relationship with you and determine the best way to protect what means the most to you. Our highest goal is to serve our clients with genuine interest and integrity.

OUR VISION
The vision for Lakeview Insurance Brokers is to have a distinctive presence throughout Western Canada providing insurance and financial solutions for individuals and organizations.

OUR MISSION
We create peace of mind in our relationships with compassion, professionalism and excellance.

Does your insurance work for you?

I WILL.

My name is Talsa Warken and I am proud to continue to support my community. I have been in the insurance industry since 2016 and plan to serve the community for many more. I am focused on Farm, Commercial, Home & Auto Insurance, along with many specialty lines. I often enjoy those tough to place risks that come with a challenge. I will advocate for you. My focus is to identify clients' unique needs and share my knowledge of suitable insurance products, while finding the most affordable price.
