OUR THEME FOR DECEMBER IS WINTER AND CHRISTMAS

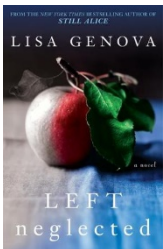

A GOOD MAN – Guy Vanderhaeghe

A Good Man culminates what could be thought of as a trilogy of books set in the late nineteenth-century Canadian and American West, and it is a masterpiece. Vanderhaeghe skillfully weaves a rich tapestry of history with the turns of fortune of his most vividly and compellingly drawn cast of characters yet. Vanderhaeghe entwines breathtaking, intriguing, and richly described narratives that contain a compelling love story, a tale of revenge and violence, a spectacular battle scene, the story of an incident in Welsely's past that threatens his relationship with Ada, and much, much more. While raising moral questions, this novel weaves the historical with the personal and stands as Vanderhaeghe's most accomplished and brilliant novel to date.

LEFT NEGLECTED: A NOVEL – Genova, Lisa

Sarah Nickerson is like any other career-driven supermom in Welmont, the affluent Boston suburb where she leads a hectic but charmed life with her husband Bob, faithful nanny, and three children - Lucy, Charlie, and nine-month-old Linus.

Between recruiting the best and brightest minds as the vice president of human resources at Berkley Consulting; shuttling the kids to soccer, day care, and piano lessons; convincing her son's teacher that he may not, in fact, have ADD; and making it home in time for dinner, it's a wonder this over-scheduled, over-achieving Harvard graduate has time to breathe.

A self-confessed balloon about to burst, Sarah miraculously manages every minute of her life like an air traffic controller. Until one fateful day, while driving to work and trying to make a phone call, she looks away from the road for one second too long. In the blink of an eye, all the rapidly moving parts of her jam-packed life come to a screeching halt.

A traumatic brain injury completely erases the left side of her world, and for once, Sarah relinquishes control to those around her, including her formerly absent mother. Without the ability to even floss her own teeth, she struggles to find answers about her past and her uncertain future.

Now, as she wills herself to regain her independence and heal, Sarah must learn that her real destiny - her new, true life - may in fact lie far from the world of conference calls and spreadsheets. And that a happiness and peace greater than all the success in the world is close within reach, if only she slows down long enough to notice.

Willow Bunch Community

Catering Service

The Willow Bunch Community Catering Service would like to take this opportunity to thank each and every one in our community for volunteering your valuable time towards helping serve the many functions, whenever you were called upon.

It is with great pride to announce the success of this organization, all because of your help! As well as a very special "Thank You" to each and every Board Member for your time and dedication towards the very vital operation of this group!!! Serving our community with pride!!!

We would also wish to thank the St. Ignatius Roman Catholic Parish for making the Parish hall kitchen available for this group to serve these functions. This helped to make the task sustainable.

It is sad to announce the disbanding of such a great service to our community. After 13 years of service and much consideration, the Board has made the decision to retire this volunteer service. During these years, 18 functions were served, prior to "Covid", whereby all proceeds were donated back to the community. A total of \$16,694.51 in donations have been presented to various organizations such as Willow Bunch Palliser Regional Library, Hills of Home Senior Club, Willow Bunch Museum and Heritage Society, the St. Ignace Roman Catholic Parish, Jean Louis Legare Regional Park Authority, Willow Bunch Recreation Board, the Willow Bunch Swimming Pool Renovation Project, and the Royal Canadian Legion. As well as supporting the local Credit Union, Grocery Store, Post Office, and every local business where possible.

Cindy Philippon, being the founder of The Willow Bunch Community Catering Service in 2008, remained president to the board for the entire duration. This organization consisted of 5-7 board members and approximately 80 men and women volunteers from the community. This was a "volunteer" Catering Service that had been designed to help, serve and enhance the community and surrounding area. Our goal was to offer reasonable and affordable rates, to support local, and to donate all proceeds back to the community.

Working together to serve our community with pride!

Once again, thank you, thank you, thank you...
