AUTO COVERAGE:

Liability

Your vehicle registration only offers \$200,000 liability protection.

If you travel frequently or outside the province, this may not be enough coverage. An Auto Pak has the ability to increase your liability coverage from \$1 to \$5 million.

Deductible

Your vehicle registration has a \$700 deductible. Can you afford to pay \$700: if you are in an accident to repair your vehicle? With an auto pak you can lower your deductible to a more affordable amount as low as \$100.

Benefits of an auto pak:

Wildlife Coverage

If you are in a collision with wildlife, with an auto pak you do not pay a deductible to have your vehicle repaired.

Renting a Vehicle

If you have an auto pak and need to rent a vehicle while on vacation, there is no need for you to purchase additional insurance from the rental company, providing you are in Canada and the USA.

Plus many more great benefits!!

Package policies can be as low as \$25 per month.

WILLOW BUNCH MUSEUM

This year, we started a major renovation to the basement. This project was made possible from the generous donations we received from the **RICHARD AND GERARD CAYER CHARITABLE FOUNDATION** and the **fundraising money we raised last year**. We contracted Brett Marit of **B MARIT FLOORING** to replace the flooring in the bathrooms, entrance ways, kitchen and hall which was lifting and hazardous for our visitors. Brett did an amazing job and was very particular with his work!! We highly recommend his services. Once the flooring was completed, we decided that the walls should be painted as well. So we contacted our painter Caroline Crawford and started out with a few rooms and ended painting everything. Thank you Brett and Caroline for doing a wonderful job. The basement looks awesome!
