At long last I want to thank all those people who supported me when I had to make the difficult decision to leave Willow Bunch due to circumstances beyond my control.

I appreciate the help and support of a number of people who came to my rescue when drowning in issues as well as those involved in the overseeing of this whole situation

Unfortunately, a number have passed but not forgotten .

The Willow Bunch Museum and Heritage Society Inc. is in the process of contacting and engaging INDIVIDUAL CITIZENS of our community to gather opinions and information that will assist us in development of plans to efficiently perform our role and deliver services. The information we shall be requesting is in the form of an electronic survey or a paper survey that we ask you to complete **no later than August 16, 2024**. TC Consulting (our Strategic Planning Facilitator) will be receiving the completed surveys and compiling the results to present to our Museum Board at the scheduled planning session in September of 2024.

To access the survey, simply copy the link provided below; it will take you to the survey where you will first be provided with an introduction followed by the question sections.

It is estimated the survey may take approximately 15 minutes of your time.

Should you prefer to complete a paper (hard copy) of the survey, send me an email or phone and the delivery of a hard copy survey will be arranged.

Thank you in advance for helping the Willow Bunch Museum to plan for the future.
