Did you know:

Machinery Loss of Use:

The cost to rent a replacement piece of machinery when yours is damaged, so you can continue your farming operations can be costly, dependent on the extent of damage incurred and the length of the repair.

When you have Machinery Loss of Use coverage, the insurance company agrees to reimburse you for expenses incurred for temporarily renting similar farm machinery that is damaged by an insured peril, including fire, collision and ingestion.

Machinery Ingestion:

Ingestion occurs when a foreign object is ingested into a piece of machinery. Foreign objects can include rocks, wooden posts or metal debris.

The deductible for ingestion is usually \$2500. Or 25% of the damages, whichever is the greater.

Contact your Insurance Broker to find out if you are eligible for these great coverages and for more information.

On August 28, meetings were held at the Hills of Home to explore the possibility of opening a Child DayCare in the community. Although attendance was modest, the presentations were highly informative. Candice from Co-operators First provided an excellent overview of the free services they offer to guide the steering committee (once established) through the initial steps required to become a licensed daycare. The second meeting featured insights from Rockglen's Childcare Centre, with Rosie Montgomery and Chapin Sleightholm delivering a down-to-earth presentation followed by a Q&A session. Their detailed account of their journey to success was both inspiring and practical. We extend our heartfelt thanks to Candice, Rosie, and Chapin for sharing their expertise with us.

NEXT STEPS

Two key actions are needed to move forward:

1. **Conducting Surveys:**

We need accurate data to determine the number of children in the area who would potentially use the daycare. If a daycare in this community is important to you, please fill out the attached survey completely and return it to us by one of the following methods:

- **Email:** **willowbunchcdo@gmail.com**
- **Mail:** **Box 189, Willow Bunch, SK, S0H 4K0**
- **Text:** (Scan/Photo) **306-640-7501**
- **DropBox:** **16 Edouard Beaupre Street**

2. **Forming a Steering Committee:**

We are looking for dedicated individuals willing to serve on a steering committee to help get this project off the ground. If you're interested in supporting this initiative, even if you don't have children in need of daycare services, please contact us using the methods listed above.

Remember, it takes a village to raise a child—be a part of that village!

Kind regards,

Claire Lesperance
