NEIGHBOURHOOD CRIME PREVENTION

A residential break-in happens every 90 seconds in Canada. More than 80% of break-ins occur during daylight hours. Most illegal entries are made by amateur burglars without the use of sophisticated tools. Most burglars enter through a basement or ground-floor door or window. Most burglars rely on concealment, speed and force to gain entry to a home.

CRIME PREVENTION TIPS

- Close blinds and curtains at night so that a burglar can't scope out your belongings.
- Lock all doors and windows before leaving your home.
- Lock windows so that they can't be opened from the outside.
- Use timers to maintain normal lighting patterns.
- Leave a radio on when you are away from your home for short periods of time.
- Consider marking or engraving your valuables with a unique identifier known only to you.
- Stats show that the amount of property stolen from homes equipped with a 24-hr monitored alarm system is less than that from homes without such a system. Burglars just don't have as much time to act when an alarm is activated.
- Keep your shrubbery cut back so it doesn't block windows and doors.
- Lock any gates in and around your property.
- Illuminate as much of your property as possible.
- Exterior doors should be solid, not hollow. Metal doors provide the best protection.
- Use a fencing style that won't conceal a burglar's activities. Remember, if you can't see out, others can't see in.
- Install deadbolt locks.
- Pin sliding patio doors together when closed.
- Don't leave a note on the door telling a friend /family/ delivery driver that you aren't home.
- Don't leave spare keys in an obvious place such as under a door mat.
- Don't leave cash and handbags in plain sight in your home.
- If you have a vacant building - ensure it is empty/cleaned out and is properly boarded up to deter vandalism and squatters.
- When you are away:
 1. Arrange for a neighbour to cut the grass or shovel snow.
 2. Cancel all deliveries during the time you will be away.
 3. Maintain normal lighting patterns by using electronic timers.
 4. Ask a neighbour to put one of their garbage bags out in front of your house on collection day.
 5. Leave a radio on with a timer to simulate normal use
 6. Ask a neighbour to park in your driveway.
 7. Don't talk about your vacation plans with strangers or service people.
 8. Lock your garage door.

VEHICLE THEFT PREVENTION:

- Lock your vehicles.
- Make sure you have all vehicle keys accounted for.
- Do not leave the vehicle unattended/unlocked when warming it up in the winter.
- Remove your "garage door opener" from your visor and lock it in your glove box.
- Keep contents in your vehicle out of sight or out of the vehicle (spare change, charge cords, gym bags, etc.)

SAFETY TIPS:

- Don't advertise your valuables.
- Report any suspicious activity in your area (such as vehicles out of place, strangers coming to your door asking for someone else, increased foot traffic late at night, etc).
- Check your property over frequently.
- Be cautious of scams. If it seems too good to be true, it likely is.
- Trust your gut. If you see something that seems out of place, tell someone.

SIGNS OF ILLEGAL ACTIVITY

There are common signs that illegal activities are taking place in a home or business, particularly if they happen in combination with each other, and frequently. Here are some things to watch for:

- frequent visitors - often driving expensive vehicles - at all times of the day and night;
- frequent late night activity;
- blackened windows or curtains always drawn;
- unfriendly people who appear to be secretive about their activities;
- people watching cars suspiciously as they drive by;
- heavy home security installations;
- strange odours coming from the building or garbage;
- garbage that contains an unusually large number of bottles or containers, especially chemical containers; and
- placing garbage in a neighbour's collection area.

Running for Municipal Council

Consider running for municipal council

Municipalities are the level of government closest to the people, delivering services that residents rely on every day. **Saskatchewan needs citizens to take on leadership roles as council members** to represent their communities and provide direction on policies, programs and services.

Council members are entrusted to make decisions that directly affect the daily lives of residents, families, local business owners and others in the community.

Where to learn more

Learning about your municipality and the roles and responsibilities of a council member will assist you to decide if running for council is the right fit for you.

Scan the QR code or visit saskatchewan.ca for information on running for municipal council, including:

- The purpose of a municipality and role of council
- Information on your municipality and council
- Things to consider before running for council

Insurance Corner

Did you know about:

Travel insurance:

Your government health insurance greatly changes when you are outside of your home province. It is important to educate yourself on these changes and to plan ahead.

Travel insurance has many different coverage options; it can provide coverage for out of Province Emergency Medical, Trip Interruption/Cancellation, loss of Baggage, Accidental

Death, etc. There are many other benefits to travel insurance, including recommendations on medical facilities, providing a translator if the medical facility you are at doesn't have anyone that speaks English and ensuring that the doctor has your best interest in mind and isn't doing unnecessary tests or procedures.

Premiums for Travel insurance are based on your age, medical history; as well as the length of your travel. Even if you have pre-existing medical conditions stable or unstable there may be options for you. If you find yourself frequently forgetting to purchase travel insurance there are Annual plans available.

Contact your Insurance Broker to find out what options are available to you and for more information.

Call for Curling Enthusiasts: Join the Willow Bunch Curling Club!

The Willow Bunch Recreation Authority is seeking passionate and dedicated individuals to form a "Curling Club" in Willow Bunch. We are looking for 4-6 curling enthusiasts who are eager to breathe new life into the sport within our community.

Role and Responsibilities

The primary role of this new Curling Club will be to organize and promote curling activities in the Willow Bunch area. This includes:

- Organizing and managing league curling events.
- Hosting bonspiels, which are curling tournaments that bring together players from various regions.
- Conducting curling clinics to teach and improve skills among new and experienced players alike.
- Increasing the use and appreciation of our beautiful curling facility.

The Need for a Curling Club

It's no secret that curling in our community has been declining over the past 4-5 years. Despite the efforts of the Recreation Board members, we have reached a point where additional support is crucial to revitalize the sport. The formation of a dedicated Curling Club will be vital to ensuring that curling remains a vibrant and integral part of Willow Bunch's recreational offerings.

Why Join?

By joining the Willow Bunch Curling Club, you will:

- Be part of a community-driven initiative to preserve and promote a beloved sport.
- Have the opportunity to meet and interact with fellow curling enthusiasts.
- Play a significant role in organizing exciting and engaging curling events.
- Help nurture and develop new talent within the area.

Get Involved

We invite all curling enthusiasts who are interested in being part of this to reach out to the Willow Bunch Recreation Authority. Your involvement is crucial to the future of curling in our community.

Together, we can ensure that the spirit of curling continues to thrive in Willow Bunch. Let's come together to celebrate, promote, and grow this wonderful sport!

For more information or to express your interest in joining the Willow Bunch Curling Club, please contact Carter Martin @ 306-640-8105

Let's bring the love of curling back to Willow Bunch!
